

S.O.A.P.

Tools needed: Bible, journal, pen, prayer list, time. Set aside 30 minutes.

Start by going to a blank page in your journal. Write the day's date on the page. Write down the chapters that you read that day. Then do S.O.A.P.:

Scripture – What verses stick out to you? Highlight them. Write out the name of the book. Which chapter and verse numbers stand out to you?

Observation – What does this passage mean? To whom was it originally written? Why? How does it fit with the verses before and after it? What is the Holy Spirit intending to communicate through this text?

Application – What is God saying in these verses to your life? What does this mean today? What is God saying to you personally? How can you apply this message to your life?

Prayer – In what ways does this passage call you to action? How will you be different because of what you've learned? Write out a prayer to God in response to what you read today.
